Founded in 1980, InfoMarex Translations is an international translation agency based in Ireland. Apart from our many Irish clients, we have acted over the years for many well-known companies worldwide.

Among the 64,000 translation agencies in the world, InfoMarex Translations has consistently enjoyed a position among the world's top 10 agencies as recorded by Proz, both as an outsourcer of projects to freelance translators and as holding an unblemished ethical record.

The firm is a registered business under the laws of the Republic of Ireland.

Practically all our new clients since that date have come by word of mouth from existing clients. The firm adheres to ISO EN 15038 standards and is generally asked for the translation of accounting, banking, business, contracts, finance, insurance, legal, localisation, and manual texts.
